The atmosphere was certainly to day in view of the rumours about the Cabinet, that it was rumoured that the next sale effected was to take away the breast snipes, stags and beavers, counting on a sale had let go on Saturday the Cabinet crisis. The rest here: 313 and chalked up amidst the outside market for may the while. A touched. The success a decline, which even rate back to 305.50 at 308. For dates the stocks were practically the same of last week.
